

# Did you know...

WestEd offers FREE workshops to help you get the most from your California Healthy Kids Survey results?

## **CHKS Data Appreciation Workshops**

- Learn:
  - how to link data to programs, reports, and Performance Indicators
  - a process for breaking down the results into manageable pieces, so you can interpret and utilize the information
  - ways to share key findings with your schools and community
- Examine your data over time
- Get a crash course on the RYDM
- Share ideas and strategies with other workshop participants
- When: Call your CHKS Regional Center at 1-888-841-7536 for more information

## **Other WestEd trainings and services:**

Listen to Your Students! Using RYDM Data for School Community Improvement

From Risk to Resilience: Principles and Strategies of Youth Development

Program Evaluation: Is Your Program Working? Let WestEd help you find out!

These services can be uniquely designed to meet YOUR needs!
