

## Desired Results Resources Order Form

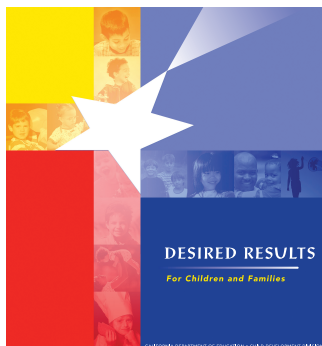

The **Getting to Know You Through Observation DVD** illustrates the importance of observation in early childcare and education settings. It offers strategies for developing accurate and reliable systems of observation and recording. The DVD is subtitled in Spanish. To download the accompanying *Getting to Know You Through Observation Trainer's Guide* and the *Training Workbook*, visit [www.desiredresults.us](http://www.desiredresults.us).

**Watching My Child Grow** is an introduction for families to the Desired Results system. It is dubbed in English, Spanish and Mandarin.

**Mini Measures** are a pocket-sized format designed to assist teachers working with the DRDP® (2010) in their observations of children. The color versions of the DRDP-PS® (2010) and DRDP-IT® (2010) Mini Measures divide the developmental domains by color, providing a quick visual reference point for the numbered measures.

The **Desired Results Regional Training Binder** contains trainer materials to train staff on the Desired Results System. Included are sections on the Desired Results Developmental Profile, Parent Survey, and the Environment Rating Scale. Binder contents can be downloaded for free at:
