Exploring Examples of the Social-Emotional Development Foundations

What examples of the social-emotional
development foundations have you
observed in preschool children?

Consider....

- Interactions
- Verbalizations
- Behaviors

Exploring Examples of the Social-Emotional Development Foundations

- Is there anything you particularly noticed about all the examples?
- Were there some curricular areas or activities where it was difficult to find examples of the social-emotional development foundations?
- Were there some curricular areas where it was easy?

Exploring Examples of the Social-Emotional Development Foundations

- Were skills and behaviors in some strands or substrands easier to see than others? Which ones? Why?
- What are the implications of these examples for ensuring that attention is paid to social-emotional development in the early childhood curriculum? What does this tell you about child development?
