

LEARNING TO LEAD MATHEMATICS PROFESSIONAL DEVELOPMENT

Part II: Going Deeper

Continue to network with leaders from across the country while you hone your skills as a mathematics professional development leader

September 8-11, 2008

ABOUT THIS INSTITUTE

FOR LEADERS WHO HAVE PARTICIPATED IN PREVIOUS LLMPD INSTITUTES

From the Teachers Development Group *Transforming Mathematics Leadership* Professional Learning Cluster

Choose one of the following two strands:

STRAND ONE Connect to your own work as a professional development (PD) provider while you dig deeper into the work of designing and facilitating mathematics PD:

- ★ Engage with other leaders in continuing to examine effective mathematics PD
- ★ Use artifacts from your own PD work to consider issues specific to your context
- ★ Expand your understanding of critical issues in mathematics PD and strategies for addressing those issues

STRAND TWO Learn to use LLMPD to support leader learning:

- ★ Gain understanding of the structure, scope, and intent of the LLMPD materials
- ★ Explore strategies for supporting the development of other leaders' PD practices
- ★ Examine critical issues in mathematics PD and how the LLMPD materials can be used to help leaders address those issues (each participant in Strand Two will receive a copy of the LLMPD materials - \$200 value)

PARTICIPANTS

STRAND ONE Leaders who participated in either the LLMPD institute in Portland during May 2008 **or** two or more LLMPD sessions in another setting

STRAND TWO Leaders who (a) have responsibility for preparing other leaders of mathematics PD, **and** (b) participated in either the LLMPD institute in Portland during May 2008 or two or more LLMPD sessions in another setting
