Math Pathways and Pitfalls Intervention Curriculum Carne Barnett-Clarke and Alma B. Ramirez, with Debra Coggins

This K–8 intervention curriculum helps students tackle stubborn pitfalls head-on and transform them into pathways for learning key topics. Each grade-span volume includes 20 or more complete lessons; a teaching manual; a DVD with classroom footage; a CD-ROM with black line masters of handouts, quizzes, and resources; a *Discussion Builders* classroom poster; and teacher professional development tasks, activities, and video footage. Download sample lessons and research results at WestEd.org/mpp.
