Unit price changes due to increases or decreases from the manufacturer will be considered “pass-on” costs. “Pass-on” increases must be verified in writing by manufacturer and will be considered during the term of the contract. NOTE: WESTED MUST HAVE THIRTY (30) DAYS WRITTEN NOTICE PRIOR TO ANY INCREASE OF EXISTING PRICES.

**INCREASES**

Permissible price revisions in any event shall not exceed the actual unit cost or percentage cost revisions from the manufacturer. It will ordinarily be the policy of WestEd to accept manufacturer price increases, when the amount of such increases is reasonable. However, WestEd reserves the right to obtain a different source or sources to such item or items which have been increased in price.

**DECREASES**

If a contractor does take advantage of this “Price Revision Clause”, WestEd will expect any decreases in cost from the manufacturer during the term of the contract to lower the price for such item or items.
